quarantine regulations and the necessary disinfection has been done under the supervision and direction of the board of health. No milk dealer or his or her employees shall take from a quarantined house any money, tickets, cans, containers, etc.

RULE 12. Operation.—All milk shall be stored at a temperature not above 50° F. Sour milk must not be allowed to stand in the dairyman's cans. Nothing except milk, cream, or buttermilk shall be permitted in the milk vats, ice boxes, and coolers. Returned empty bottles and other utensils must be thoroughly cleansed and sterilized before being conveyed into the milk room.

Sec. 12. The board of health may through its duly authorized officers or inspectors visit, view, and inspect all vessels, cans, receptacles, refrigerators, buildings, platforms, establishments, or places of any kind containing milk or its products and examine the conditions thereof with reference to cleanliness and sanitation and cause the removal and abatement of any unfit, unclean, or injurious condition attending the keeping, storing or possession, care, custody or control of milk or its products at any and in all places; and said board of health through its authorized officers or inspectors shall have the right and power to enter and have full access to any building or premises where any milk or its products are stored or kept for sale, and to all wagons, railroads, cars, or vehicles used for the purpose of delivering milk or its products, and shall have the right to remove samples of such milk or its products therefrom for the purpose of inspecting, testing, or analyzing same.

Sec. 13. That any person or persons violating any of the sections of this ordinance or section or part thereof of the rules and regulations of the board of health, shall upon conviction be judged guilty of a misdemeanor, and shall be fined not less than \$5 nor more than \$25 for each offense.

Sec. 14. That all ordinances or parts of ordinances in conflict with this ordinance be, and the same are hereby, repealed.

Sec. 15. That this ordinance take effect from and after its passage, the welfare of the city requiring it.

[Ordinance passed Dec. 14, 1911.]

LOS ANGELES, CAL.

MILK—NO MILK TO BE SOLD OR OFFERED FOR SALE OR EXCHANGE EXCEPTING THAT COMING FROM COWS WHICH HAVE GIVEN A SATISFACTORY NEGATIVE TUBERCULIN TEST.

SECTION 1. It shall be unlawful for any person, firm, or corporation to bring or receive, or to cause or permit to be brought or received into the city of Los Angeles for sale, or to sell, exchange, or deliver, or to offer for sale, exchange, or delivery, or to cause or permit to be sold, exchanged, or delivered, or to be offered for sale, exchange, or delivery, or to have in possession for sale, exchange, or delivery any milk, cream, buttermilk, skimmed milk, pasteurized milk, condensed or evaporated milk, or condensed or evaporated skimmed milk, unless such milk, cream, buttermilk, skimmed milk, pasteurized milk, condensed or evaporated milk, or condensed or evaporated skimmed milk be obtained from cows that have given a satisfactory negative tuberculin test, as hereinafter provided: *Provided, however,* That the provisions of this section shall not apply to condensed or evaporated milk or condensed or evaporated skimmed milk which is sterilized and is contained in hermetically sealed packages labeled with the name of the article and with the name of the person, firm, or corporation by whom the same is prepared.

Sec. 2. Every cow or bull and all young stock shall be considered tubercular if following an injection of tuberculin any such cow, bull, or young stock shall exhibit a temperature, within 24 hours after such injection, of or exceeding 103.8° by the Fahrenheit thermometer, or which shall exhibit a temperature, within 24 hours after such injection, of or exceeding 2° by the Fahrenheit thermometer higher than the temperature of such cow, bull, or young stock recorded prior to the injection of such tuberculin. Said tuberculin test shall be made in accordance with the rules and regulations prescribed by the United States Bureau of Animal Industry.

Sec. 3. Until January 1, 1915, milk, cream, buttermilk, skimmed milk, pasteurized milk, condensed or evaporated milk, or condensed or evaporated skimmed milk obtained from cows which have not given a satisfactory negative tuberculin test, may be sold within the city of Los Angeles under the following conditions and not otherwise, to wit:

No milk, cream, buttermilk, skimmed milk, pasteurized milk, condensed or evaporated milk, or condensed or evaporated skimmed milk from cows which have not given a satisfactory negative tuberculin test, shall be sold or offered for sale, exchanged, given away, or delivered within the city of Los Angeles unless such milk, cream, buttermilk, skimmed milk, pasteurized milk, condensed or evaporated milk, or con-

densed or evaporated skimmed milk shall first have been pasteurized in a pasteurizer that is equipped with a self-regulating flowing device and self-recording thermometer, and unless all such milk, cream, buttermilk, skimmed milk, pasteurized milk, condensed or evaporated milk, or condensed or evaporated skimmed milk shall have exhibited a temperature of not less than 145° by the Fahrenheit thermometer, and shall have been maintained at such temperature for not less than 20 minutes.

SEC. 4. It shall be unlawful for any person, firm, or corporation to bring or receive, or to cause or permit to be brought or received, into the city of Los Angeles for sale, or to give away, sell, or offer for sale or to cause or permit to be sold or offered for sale, or to have in possession for sale, exchange, or delivery therein, any milk, cream, buttermilk, skimmed milk, pasteurized milk, condensed or evaporated milk, or condensed or evaporated skimmed milk obtained from any cows which have given a satisfactory negative tuberculin test which are permitted to associate or come in contact with any cattle which have exhibited a reaction to the tuberculin test, or to fail, neglect, or refuse to immediately separate and keep separated all cattle which have given a satisfactory negative tuberculin test from cattle which have exhibited a reaction to the tuberculin test.

It shall be unlawful for any such person, firm, or corporation to fail, neglect, or refuse to disinfect any premises where cattle which have exhibited a reaction to the tuberculin test have been kept or from which such cattle have been removed, in such manner and within such time as the health commissioner shall direct.

It shall be unlawful for any such person, firm, or corporation to handle the milk of any cow which has exhibited a reaction to the tuberculin test in any utensils used for the handling of milk of cows which have given a satisfactory negative tuberculin test.

SEC. 5. Every person, firm, or corporation supplying milk, cream, buttermilk, skimmed milk, pasteurized milk, condensed or evaporated milk, or condensed or evaporated skimmed milk to the city of Los Angeles, or any inhabitant thereof, produced from or by any dairy cattle owned or controlled by such person, firm, or corporation, shall, within 10 days after this ordinance becomes effective, make written application to the health commissioner for the tuberculin test to be applied to such dairy cattle. Such application shall be made annually and shall set forth the number and kind of dairy cattle in possession of or under the control of the applicant. On premises where tubercular cattle have been found and have been removed the remaining cattle shall be subjected to a retest within the period of six months from the time the last test was applied. Dairy cattle to which the tuberculin test has not been applied shall be kept separate from nonreacting dairy cattle until such cattle shall have given a satisfactory negative tuberculin test.

SEC. 6. The tuberculin test required to be made under the provisions of this ordinance shall be made under the direction of the health commissioner and shall be made free of charge.

SEC. 7. All dairy cattle found free from tuberculosis as determined by the tuberculin test shall be marked by placing a metal tag in the right ear; such tag shall bear the following inscription, L. A. T. T. No.—. All dairy cattle affected with tuberculosis as determined by a reaction to the tuberculin test shall be marked by punching out of the right ear the letter T, such letter to be not less than 1½ inches in height and 1½ inches in width, or by branding with a branding iron such letter T in the middle of the forehead.

SEC. 8. The health commissioner shall designate the time and place where herds of 10 dairy cattle or less shall be presented to have the tuberculin test applied.

SEC. 9. It shall be unlawful for any person other than the health commissioner or his regularly appointed assistants, deputies, or inspectors, or inspectors of the United States Bureau of Animal Industry, or the State veterinarian or his assistants, deputies, or inspectors to place, attach, or apply any tag or brand of the kind or character described in section 7 of this ordinance.

SEC. 10. Nothing in this ordinance contained shall be deemed to prevent the health commissioner from applying the ophthalmic test in addition to the subcutaneous test.

SEC. 11. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than \$500 or by imprisonment in the city jail for a period of not more than six months, or by both such fine and imprisonment.

SEC. 12. The city clerk shall certify to the passage of this ordinance and cause the same to be published once in the Los Angeles Daily Journal.

[Ordinance adopted Nov. 28, 1911.]
